Stamp of Quality

Every fund selected in our portfolios has a Titan Square Mile Academy of Funds rating, which is only awarded to those funds that meet our rigorous standards and best-in-class rating criteria. Each rated fund undergoes Titan Square Mile's thorough research process, which evaluates its ability to achieve long-term objectives and provide value-for-money for your clients.

As only a small percentage of funds pass our comprehensive, independent research to be featured on the Academy of Funds, this ensures investors can trust that the fund managers overseeing their investments are consistently held accountable.

Driven by in-depth research, our portfolios are expertly managed by our experienced investment team, using the Academy of Funds universe to select the most suitable rated funds for each portfolio.

Our investment team analyse the markets, assess opportunities and risks. It is this collaboration and partnership in portfolio construction that gives us a distinct competitive edge and sets Titan Square Mile apart from most competitors.
